

LOCAL LAW 2 OF 2016

Passed March 9, 2016

Local Law 2 of 2016 was a companion to Local Law 1. It removed the redundant provision in §152-4 regarding weapons in Town parks so that all Town property is covered by the regulations in Chapter 105. Subsection (C) was deleted and the subsections that followed were re-lettered accordingly. This law did not change Town regulations on weapons in parks.
